25X1

25X1

Talked to [] about ONE's proposed request for courses to be taken by Board members at Sandia, New Mexico, to assist them in their knowledge of atomic matters. It appears that I have taken this up with Mr. Dulles in too great haste and it has not been cleared as yet with O/SI. Have advised [] to send up another memorandum and that he better supply a fairly good defense for the project.
